

Record of Meeting

November 9, 2010

GOSFORD PUBLIC SCHOOL RELOCATION WORKING GROUP

HENRY KENDALL HIGH SCHOOL

AGENDA ITEM	Topic	Decision/Action
1.Attendance		Apologies: David Cullen Stephen Thomas (Gary Jackson attended) Janice Hillan Alison Preece
2. Adoption of record of previous meeting	Amendments noted	Distribute with next agenda
3. Business arising from previous meeting	Rod Pratt gave a verbal report which he'll support in writing Baker Street – loss of parking	Table at meeting 23/11 Meeting to be scheduled between GCC, AW & DC
4. Correspondence	Question raised about corro from HKHS P&C Report tabled: GPS P&C registered disappointment about the way in which the report was released	RW to follow up
5. Brett Phillips CCDC	BP provided information about the establishment of CCDC and its role in the Gosford Landing process. Tenders closed and announcement about successful tender imminent. Ques raised regarding the use of the site – BP advised that any future use of the site would be consistent with current plan but no details are able to be provided until tender details are public. BP assured members that there was no intention to turn GPS into a car park. Ques re consultation process and GJ suggested that CCDC/GCC should talk to CBD re what they wanted. BP advised developers required action on waterfront	No action required – BP will attend future meetings to provide advice as it becomes available

	development before activation and revitalisation of city centre	
6. Gosford Council	<p>SG advised surveyors had been working in Faunce St. Also: Lights are proposed for Faunce St and Racecourse Road. Batley St/ Racecourse Rd lights on agenda for discussion in NY; Traffic and Parking survey to be conducted. Expansion of Oncology Unit will also require traffic study Work on baker St to commence early 2011 – road and landscape Ques re road usage: Baker St intended to be low traffic, one way – shared pedestrian similar to City Heart to open up waterfront and connect to City Centre</p>	No action required – GCC will attend future meetings to provide advice regarding issues related to council.
7. Issues Paper	Held over	MR to match Consultation with Issues paper to determine if any issues not addressed by the report or current actions being undertaken.
8. Consultation Report & Media Release	<p>General Discussion about the consultation report (tabled) & media release (not tabled) MR advised that media release stated that the Minister had generally accepted the recommendations in the report and had requested EMF readings, further work on demographics, and a detailed costing on rebuilding the school on its current site would be carried out.</p>	
9. General Business	<p>MR distributed the invitation to provide feedback on the draft Central Coast Transport Strategy Ques raised about the need for further communication to the broader community regarding the Report. General consensus that this wasn't the role of this group and that P&Cs and school would distribute as required.</p>	
10. Future agenda items	Information updates from all parties
